Ref. 1104 · Plot Jalon-Xalo

								
-	12398 m ²	-	-	-	-	-	-	-

Rustic building plot of more than 12.000 sq. in Jalon. The plot is located at only 2 km of the center of the Town, surrounded by countryside and with a very good. The plot is practically all flat and it has already got the authorization by the Town Hall to build a detached villa of over 200 sq. In this area the properties should be connected to a solar system and water deposit. It is ideal for the mountain lovers living at walking distance to the village.
